DOCKET NO. 94-673-E - ORDER NO. 94-1288 / DECEMBER 21, 1994

IN RE: Clemson Power Partners, L.P., and Peregrine Energy Corporation,

Complainants,

vs.

Duke Power Company,

Respondent.

ORDER GRANTING
MOTION FOR
EXPEDITED HEARING
AND ESTABLISHING
PRE-FILING
DEADLINES

This matter is before the Public Service Commission of South Carolina (the Commission) on Clemson Power Partners, L.P. and Peregrine Energy Corporation's (Peregrine's) request to expedite the hearing in this proceeding. Peregrine asserts an expedited resolution of its complaint is necessary so that WestPoint Stevens, Inc. can complete its emissions inventory data and obtain a revised air permit from the South Carolina Department of Health and Environmental Control by May 1995. In addition, Peregrine asserts that an expedited consideration of its complaint will enable it to take advantage of lower cost equipment and fuel supply contracts.

After review and consideration of the filing, the Commission finds and concludes that Peregrine's request for an expedited

hearing should be and is hereby granted. Pursuant to 26 S.C.

Regs. 103-869(C)(Supp. 1993), the Commission hereby orders that

twenty-five copies of the testimony and exhibits of Peregrine

shall be pre-filed with the Commission on or before December 30,

1994, and twenty-five copies of the testimony and exhibits of Duke

Power Company shall be pre-filed with the Commission on or before

January 13, 1995. In addition, parties shall serve their

pre-filed testimony and exhibits on each other as required by the

Commission's Rules and Regulations.

Please take note that any party requesting modification of this schedule must file a request for such modification with the Commission.

IT IS SO ORDERED.
